

# GROUP #4 Kilimani

Sub-themes:

Design

Local economic development

MAKING CITIES TOGETHER  
Creating Safe, Inclusive and  
Accessible public spaces

# Realities on the ground

NAME: DENNIS FORIOT  
PARTNER GROUP: KILIMANI

### WORKING CARD 'LIVING LAB'

#### BUS BINGO

Women on the street ✓	Children on the street	Elderly on the street ✓	Disabled persons on the street
Trees ✓	Street furniture	Street lighting ✓	Drainage ✓
Street vendor ✓	Event	Demonstration	Cyclist ✓
People playing	People chatting ✓	People dancing	People smiling

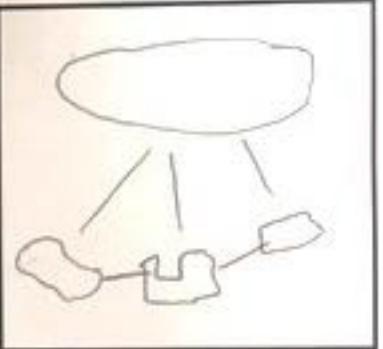

TO FILL IN DURING THE BUS RIDE TOWARDS YOUR LIVING LAB LOCATION

#### IMPRESSIONS OF THE LIVING LAB

IN SENSES: (COLOUR, AMBIANCE, SMELL, ETC)

IN A SKETCH:

LESSON 1:  
Spaces are as good as the people in it make it

LESSON 2:  
Start small then work your way up. The little changes start the conversation/revolution

**A QUOTE TO REMEMBER:**  
"Every street building should compete in giving life to its street."  
- Allan Katz

Urban Thinkers Campus  
Nairobi 3 May 2017

TO FILL IN DURING THE BUS RIDE BACK TO THE UN HABITAT COMPOUND

# Group work

Partner groups:

- Local and sub regional authorities (2x)
- Civil Society (2x)
- Grassroots (2x)

- Professional

Local Host: Constant Cap of the Kilimani Project Foundation

UTC Host: Zahra Kassam

Expert: Bulelwa Ngewana

MAKING CITIES TOGETHER  
Creating Safe, Inclusive and  
Accessible public spaces

# Strengths and Weaknesses

+

Arboretum, diverse cultures  
Some good pedestrian spaces  
Mixed division of labor

-

Walls and gates, no play spaces  
Some spaces are not walkable  
Inbalance of jobs and housing

# Needs for improvement

Mapping

Identity

Social interaction between groups

Quality public spaces

10.04.2016

# Action Orientated Framework

**#1**

**Create a recreational loop w/ green & wayfinding**

**#2**

**Use road reserves for (power of) 10 parklets**

**#3**

**Mapping of spaces of relative control**

**#4**

**Programming as a design tool**
